Re: Contracted Service Agreement
Date: October 10, 2024

Dear Dr. Maus:

Please review the following contractual service agreement for the 2024-2025 school year. I recommend board approval for this agreement with the Sherwood Center for the Exceptional Child (DBA Sherwood Autism Center), which will provide student educational services, including behavior management, related services, and assistive technology, in compliance with IDEA, and with Missouri statutory provisions as required by a student's individual Education Plan. Services may consist of evaluations and assessments, consultation with staff and students, school team participation in the development of individualized education programs, and support for our students and school personnel in the Smithville School District. Due to student placement and needs, services will start on October 7, 2024.
