Dear Dr. Maus:

Please review the following contractual service agreement for the 2024-2025 school year. I recommend board approval for this agreement with Integrative Vision Solutions LLC, which will provide and meet the requirements of IDEA, including student educational instruction, assessments and evaluations, training and consultation with staff and students, school team participation in the development of individualized education programs, assistive technology, and supports for our students and school personnel in the Smithville School District in the area of Orientation and Mobility ("O & M").
