Re: Contracted Service Agreement
Date: October 1, 2024

Dear Dr. Maus:

Please review the following contractual service agreement for the 2024-2025 school year. I recommend board approval for this agreement with the Blue Springs School District – Multi-District Deaf/Hard of Hearing, which will provide and meet requirements of IDEA and Section 504 regulations, including student educational services, audiological assessments and evaluations, consultation with staff and students, school team participation in the development of individualized education programs, assistive technology, and supports for our students and school personnel in the Smithville School District.

Please contact me with any questions or concerns.

Thank you,
